

HOWICK INTERMEDIATE SCHOOL

14 August 2017

Dear Parents/Caregivers

Puberty: Parent and Student Evening - Thursday 17th August, 7.00-8.15pm

We have an exciting event to support the health and wellbeing of our students and families. The organisation 'Attitude' is coming to talk to our students and parents about the challenges of puberty. Attitude has a fantastic set of young presenters who can communicate in a friendly, fun, positive and motivating manner. We believe the messages for both students and parents are so powerful that this event is free of charge to you.

Here is a little more information on this event:

Puberty

It's no secret that puberty can be awkward, so let's make it easier to talk about. Content includes major physical changes, emotional changes, and healthy head messages.

We would love you to join us for the Puberty information evening. Please indicate below if you will be attending.

Yours sincerely

Sandra Victor
Health Curriculum Leader
