

# HOWICK INTERMEDIATE SCHOOL

Friday 18 August 2017

Dear Parents/Caregivers

## Health Curriculum Consultation 2017

As part of our school's ongoing self-review process we are consulting with our parent community regarding our school health curriculum.

Our health programmes are aimed at ensuring we cover the objectives within the New Zealand Curriculum and meet the needs of students at Year 7 and 8 level. Programmes are generally delivered by classroom teachers and where appropriate, we utilise the expertise within our community.

We would appreciate your input. The online survey is brief and easy to complete. You can access the survey by following this link:
